MARK HIGGINS

3 times British Rally Champion and Stunt Driver

After meeting Louis Harvey and racing in the same team with him in junior karting with my son I have followed his racing career with interest and watched his progress in the different classes. He has a real passion for Motorsport with a focus to reach the top. He has a great determination and talent to progress in the sport and if he can secure the funding required for 2024 JCW Mini Challenge, I believe he should be one of the drivers to beat. I wish him every success and hope he is able to obtain the funding required.

RON MEADOWS,

Sporting Director, Mercedes AMG Petronas Formula One Team

I have been closely monitoring Louis's racing career for a couple of years now and after his win in British Junior TKM I was excited to see him progress into Seniors. Instantly Louis showed great pace, fighting for points and podium positions against some very tough competition. Louis is a determined, adaptable, and humble young man and with the right financial backing could go far in his Motorsport career.
